## ABOUT US

In 2006, **Abrar Middle East LLC** was founded as Arabian Image Trading and Contracting LLC, laying the foundation for a diversified general contracting firm distinguished by integrity, quality, teamwork and years of hands-on building experience. Since its founding, Abrar Middle East LLC has experienced sustained steady growth. The company is also ranked an "Excellent grade" in the Oman Chamber of Commerce and Industry and the Tender Board.

The depth of experience that Abrar Middle East LLC has in Oman includes considerable expertise in Warehouse Construction, developing and delivering world-class Infrastructure & Road projects, and Design & Build Services to streamline all construction processes. Additionally, our Pre-Construction Services oversee all aspects of a project's scope, and our Design & Build Process is a step above the rest. We have an expert team for General Contracting Services for project supervision, and our Construction Management Services help fast-track all construction projects in Oman.

Since 2021, we have also started offering our services in UAE as **Abrar Infra Building Contracting LLC**, where we thrive on challenging projects of unique character, offering a full range of our Pre-Construction and Construction services. With a proven track record and dedication to excellence, Abrar Infra Building Contracting LLC supports every project in UAE – from large, complex projects to smaller scale buildings – with outstanding leadership and commitment, building upon our reputation as one of the most dynamic and versatile building contractors.

**Dedication  
To Build Futuristic  
Structures**

## OUR VISION
