Abrar Group is a leading construction and general contracting company headquartered in Muscat, Oman, with expanding operations in the UAE and the Kingdom of Saudi Arabia. Known for our integrity, quality craftsmanship, and a client-focused approach, we are trusted by corporates, government, and private clients across the Gulf region.

Our strength lies in combining local expertise with international standards, delivering high-performance construction solutions that prioritize safety, efficiency, and long-term value. Clients continue to choose Abrar Group for our consistent ability to deliver projects on time, within budget, and to the highest standards of engineering and execution.

We hold an “Excellent Grade” classification from the Oman Chamber of Commerce and Industry and the Oman Tender Board, underscoring our credibility and capabilities. With years of hands-on experience and a commitment to innovation, we leverage state-of-the-art technology, skilled teams, and a collaborative project management style that ensures every project is completed with precision and care.

Whether in Oman, the UAE, or KSA, Abrar Group stands out as a dependable partner for commercial, industrial, and infrastructure projects. Our mission is to provide a building experience that goes beyond construction—delivering trust, value, and results at every stage.

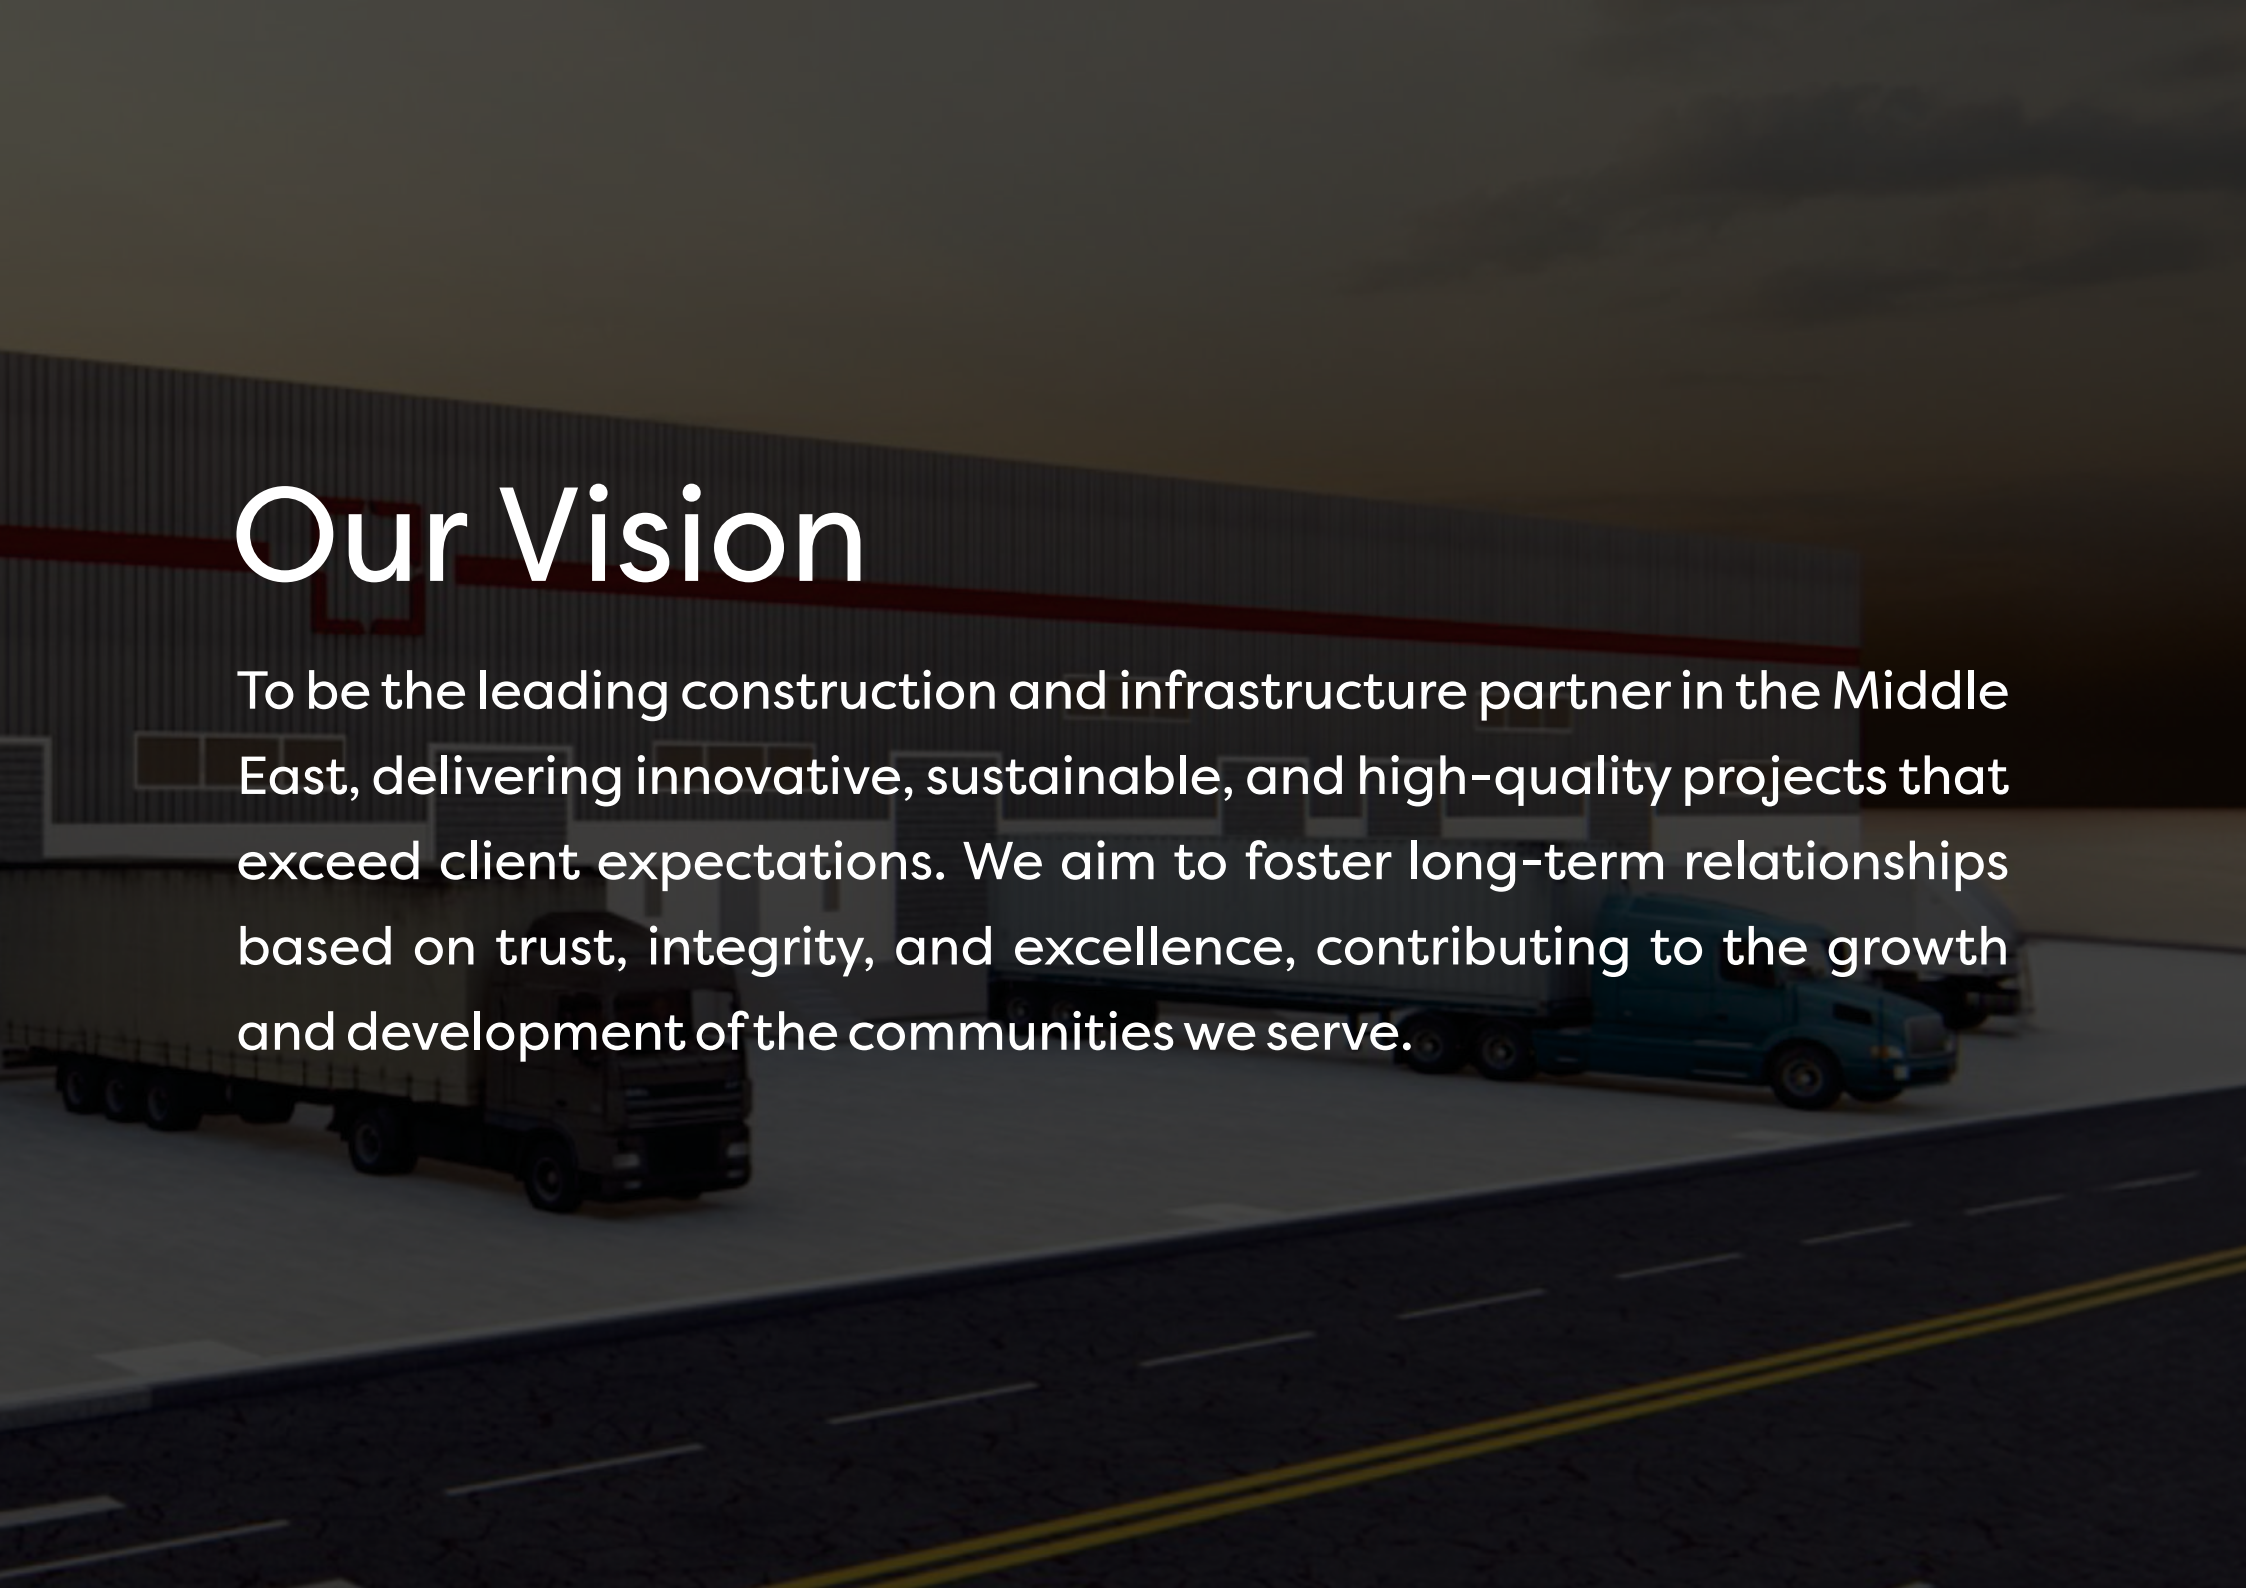

From Vision to Reality, Across Oman, UAE & KSA.

Founded in 2006

Abrar Group has established itself as one of the most trusted construction and infrastructure development firms across Oman, the UAE, and KSA. With a solid foundation built on quality, integrity, and client satisfaction, we have contributed to the creation of some of the region's most iconic and enduring structures. Our reputation is built on consistent performance, timely delivery, and a deep understanding of regional needs.

Over the past 17 years, Abrar Group has evolved into a dynamic force in the construction sector, known for blending innovation with reliability. Whether in Muscat, Dubai, or Riyadh, our projects reflect a commitment to excellence, sustainability, and long-term value. What sets us apart is our ability to adapt, lead, and deliver under the most demanding conditions.

Our leadership actively aligns individual talent with strategic goals, fostering a performance-driven culture across all levels. As we continue to expand across the Gulf, we remain deeply rooted in our founding principles—trust, innovation, and a passion for building the future with purpose and precision.

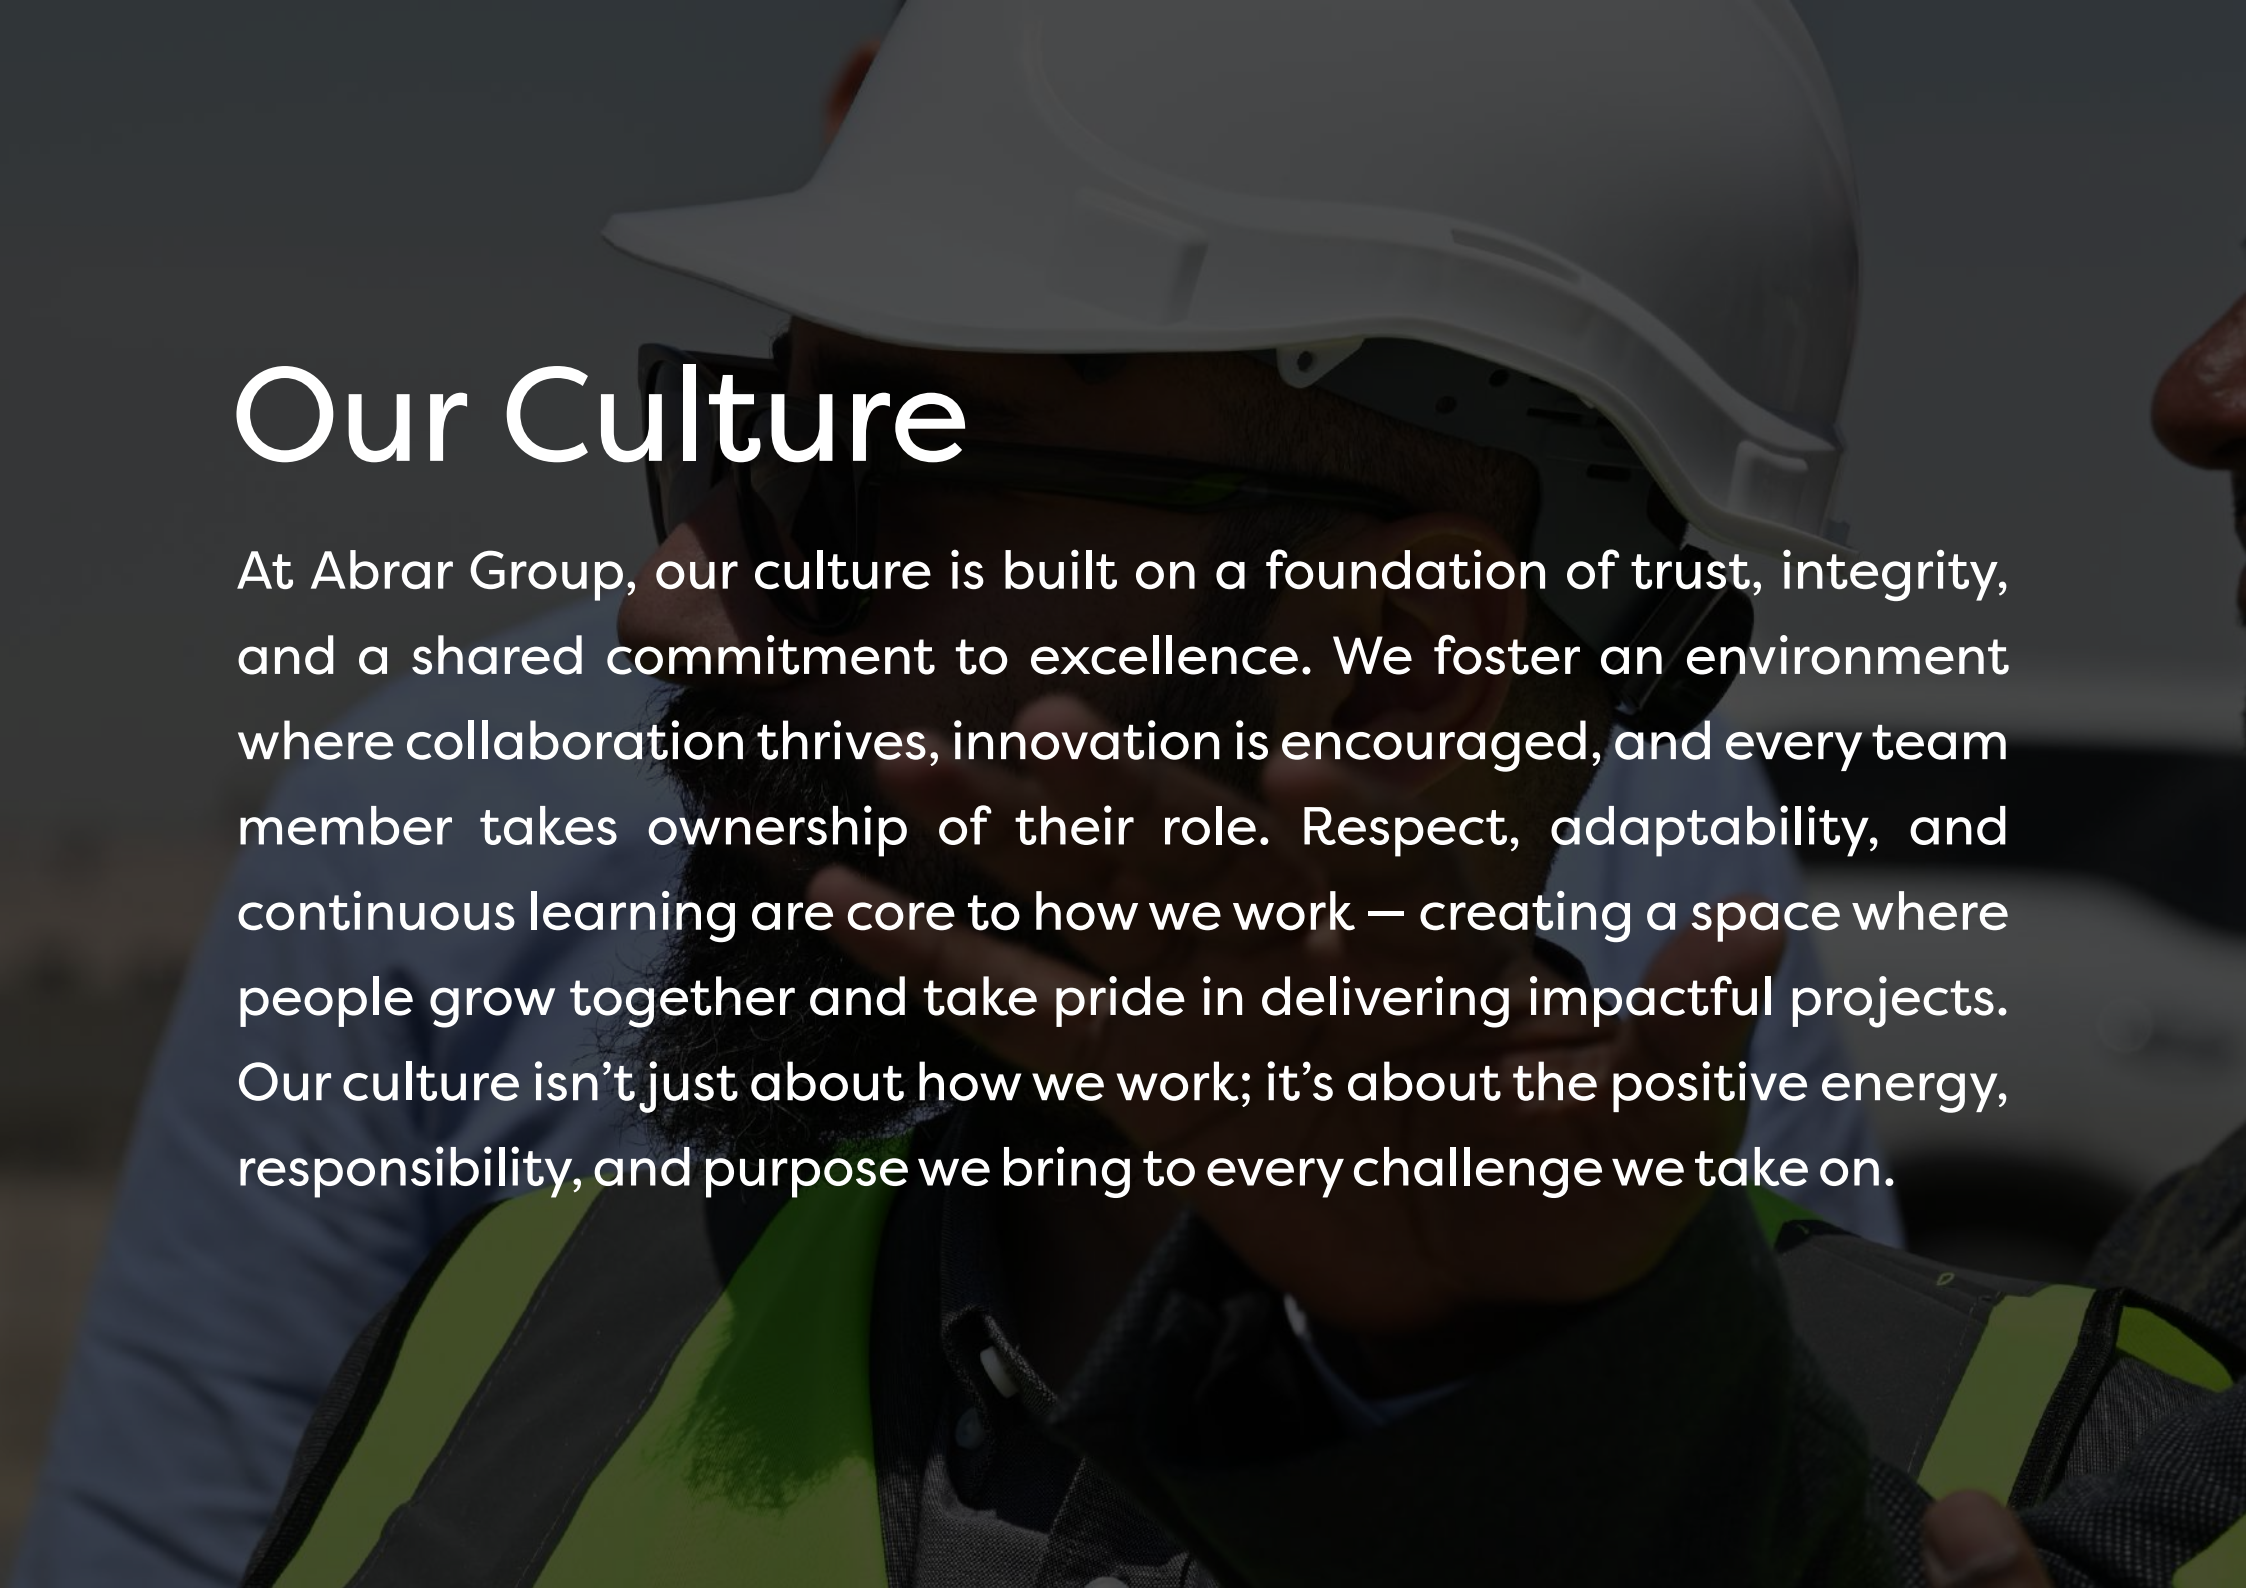

Our Vision

To be the leading construction and infrastructure partner in the Middle East, delivering innovative, sustainable, and high-quality projects that exceed client expectations. We aim to foster long-term relationships based on trust, integrity, and excellence, contributing to the growth and development of the communities we serve.

Our Values Are Our Foundation of Excellence

At Abrar Group, our values form the cornerstone of who we are and how we operate. They guide our decisions, influence our actions, and shape the way we deliver projects across the region. Rooted in integrity, innovation, and a commitment to excellence, these principles define our approach to every partnership and project. By staying true to these values, we consistently build trust, foster long-term relationships, and deliver results that stand the test of time.

Our Culture

At Abrar Group, our culture is built on a foundation of trust, integrity, and a shared commitment to excellence. We foster an environment where collaboration thrives, innovation is encouraged, and every team member takes ownership of their role. Respect, adaptability, and continuous learning are core to how we work — creating a space where people grow together and take pride in delivering impactful projects. Our culture isn't just about how we work; it's about the positive energy, responsibility, and purpose we bring to every challenge we take on.

Founders Vision

At Abrar Group, our journey is one of resilience, integrity, and a relentless pursuit of excellence. From humble beginnings, I started this company with a clear mission: to build not just structures, but trust — brick by brick, project by project. Every milestone we've achieved is a testament to our team's unwavering commitment and our shared belief in delivering quality without compromise.

Having laid the foundation with my own hands, I understand the value of hard work, discipline, and vision. These principles continue to drive everything we do — from high-rise developments to intricate interior solutions. We don't just build for today; we build for the future.

As we look ahead, our ambition is to expand across the Gulf region, carrying forward our values and setting new benchmarks in construction, contracting, and infrastructure. We see immense potential in shaping cities, supporting developers, and contributing to the region's ambitious growth plans.

At Abrar Group, we're not just building structures, we're building legacies.

Maqsood Ismail,
Director, Bisconni MiddleEast Manufacturing

Abrar Infra Building Contracting LLC has announced a landmark partnership with Bisconni Middle East LLC, the UAE arm of the renowned Pakistani biscuit brand, Ismail Industries Limited, in a major step towards advancing the region's food manufacturing capabilities. The project involves the construction of a world-class biscuit and confectionery production facility in Abu Dhabi's Kezad industrial zone.

The announcement was made under the leadership of Maqsood Ismail, director, Bisconni MiddleEast Manufacturing LLC, and Imran Potrick, chairman and CEO of Abrar Group. The new facility represents a significant milestone for both companies and is positioned to transform the food production landscape across the GCC.

With an investment of Dh150 million ($41 million) and spanning 37,000 square metres, the facility will operate under a 50-year land lease agreement signed with Kezad Group. Construction is already underway, with the project targeted for completion by October 2026.

We also extend our gratitude to the Abu Dhabi Investment Office (ADIO) and the Abu Dhabi Department of Economic Development (ADDED) for their valuable support and guidance in facilitating this significant industrial venture

Supporting regional food security and economic growth

The high-tech plant is designed to serve as a strategic manufacturing and export hub for Bisconni's premium product line, aligning with the UAE's broader goals around food security, industrial diversification, and economic growth. Once operational, the facility will cater to growing regional demand while also supporting export operations into neighbouring markets.

Maqsood Ismail emphasised the brand's long-term vision. "This new production facility marks an important step in Bisconni's journey of expansion and quality. With Abrar Group as our construction partner, we are confident in building a benchmark factory that reflects our brand's strength and ambition."

Abrar Group brings over 17 years of experience delivering complex industrial and food manufacturing projects across the UAE, Saudi Arabia and Oman. The company has a proven track record in constructing facilities that adhere to international food safety, hygiene, and quality standards.

To ensure seamless execution, Abrar Infra has leveraged its internal divisions including Abrar Energytech Electromechanical LLC (MEP solutions) and Abrar Decors LLC for fit-out and interior works offering a fully integrated, end-to-end construction solution.

"Abrar Group has earned the trust of leading industrial brands across the Gulf, and Bisconni joins that list of visionary partners. Our team is committed to creating a facility that stands as a benchmark in food production excellence," said Imran Potrick.

The construction will be overseen by Capital Engineering Consultant LLC, led by Balaskandan Ragunathan, managing director, Capital Engineering Consultancy LLC. With extensive experience in large-scale industrial and food processing projects, Capital Engineering will provide end-to-end consultancy including authority approvals, design optimisation, and project supervision.

Balaskandan Ragunathan said: "Our design vision for the Bisconni facility demanded precision and performance — and Abrar aligns perfectly with that. At Capital Engineering Consultants, we take pride in partnering with builders who share our drive for innovation and excellence"

The project's progress is being steered under the capable leadership of Zunair, project head, whose proactive coordination and commitment to quality have been key in aligning all stakeholders toward a shared vision.

The overall strategy and execution strength come from Abrar Group's leadership team, with Bilal Potrick, group executive director, guiding the project's vision and client relations; Ashiq Arif, group general manager, ensuring seamless planning and resource alignment; and Danish, group operations head, overseeing on-ground execution and operational efficiency. Together, their combined expertise continues to drive this landmark project toward timely and successful completion.

"Trust is the cornerstone of our success. We prioritise client satisfaction by delivering top-quality work on time, every time. With over 17 years of expertise in the Construction industry, we owe our gratitude to both our esteemed clients and dedicated employees. With our stellar track record in industrial buildings and warehouses, we're equipped to handle projects of any size, delivering excellence in both price and timeline."

Imran Potrick,
Chairman & CEO
Abrar Infra Building Contracting LLC

Abrar Infra Building Contracting LLC was awarded the contract for the construction of a state-of-the-art food manufacturing and warehousing project for Hunter Foods LLC at National Industries Park (NIP) on March 6. This has boosted the vision of 2040 in UAE for both parties.

For Abrar Infra Building Contracting LLC, this contract represents a substantial opportunity to contribute to the development of the UAE's infrastructure and food manufacturing sector. By undertaking this project, the company is not only fulfilling its business objectives but also supporting the vision outlined in Dubai Vision 2040, which aims to enhance the country's economic diversification and sustainability. Similarly, for Hunter Foods LLC, this project signifies a strategic investment in expanding its operations and catering to the growing demand for food manufacturing facilities in the region. By partnering with Abrar Infra Building Contracting LLC, it is leveraging the expertise to contribute to the goals set forth for Dubai Vision 2040.

Majeeb Rahman, managing director, Dimx Consultant, has conveyed his best wishes to both parties and ensured his support throughout this project.

Imran Potrick, chairman and CEO of Abrar Infra Building Contracting LLC, conveyed heartful wishes and thanked Ananya Narayan, CEO of Hunter Foods LLC, for giving this opportunity to expand its footprint over the region. He believes securing this project is a testament to Abrar's capability and reputation in the construction industry, signifying trust in expertise and quality of work, which can potentially lead to more opportunities and growth for the company.

Potrick's confidence in completing the project on time speaks volumes about Abrar Infra Building Contracting LLC's commitment to excellence. Abrar Infra Building Contracting LLC's journey since 2006, starting from Oman and expanding across the GCC, including Saudi Arabia. The company's involvement in diverse construction projects ranging from industrial and warehouse facilities to data centres and villas showcases its versatility and capability in catering to various construction needs. This expansion demonstrates the company's adaptability to different markets and its commitment to delivering quality projects across the region.

Potrick's foresight regarding the potential of Dubai Vision 2040 in warehousing, logistics facilities, and data centres aligns well with the projected growth and development in these sectors. With Abrar Infra Building Contracting LLC's extensive experience and a robust team of engineers and labourers across the UAE, Oman, and KSA, the company is well-positioned to capitalise on the market.

The ground-breaking ceremony conducted by Ashiq Arif, general manager of Abrar, together with the team of Hunter Foods, led by Oswald Matthews, head of Strategic Development, and Margesh Chawan, head of Finance, is a significant milestone for the company. The presence of consultants and eminent personalities from DP World and National Industries Park Authority underscores the importance of this event and highlights the collaboration between Abrar and key stakeholders in the region.

Such ceremonies symbolise the beginning of a new project and mark the commitment of all parties involved towards its successful completion. It reflects Abrar's reputation and capabilities in the construction industry, as well as its ability to forge strong partnerships with important entities in the business landscape of the UAE. The collaboration between Abrar Infra Building Contracting LLC and Hunter Foods LLC for the construction of a state-of-the-art facility is indeed exciting news. Hunter Foods' vision to create an architectural marvel not only to meet their growing demand but also to provide an educational and engaging experience for visitors speaks volumes about its innovative approach.

The emphasis on offering an excellent viewing experience for students and people of all ages to witness the manufacturing, packaging, storage and logistics process firsthand demonstrates Hunter Foods' commitment to transparency, education and community involvement. By showcasing their manufacturing process, they not only promote their brand but also contribute to the tourism sector in Dubai by offering a unique and interactive experience.

Ananya Narayan's enthusiasm to cater to this project as a showcase model for the Dubai tourism sector further highlights the significance of this endeavour. It not only enhances Hunter Foods' brand image but also contributes to Dubai's reputation as a hub for innovation and experiential tourism. Overall, this collaboration is poised to set a new standard in both the food industry and architectural design in the region. Abrar Infra Building Contracting's positive outlook on the UAE market reflects confidence in the region's growth potential and its capabilities to thrive within it. With a track record of successful projects, an experienced team, and a commitment to quality, the company is well-positioned to establish a strong presence in the UAE construction industry.

The brand's determination to expand and strengthen its foothold in the market indicates a long-term commitment to serving clients and contributing to the development of the UAE's infrastructure landscape. Deliver high-quality projects, Abrar has become a prominent player in the UAE construction sector in the years to come.

Saudi Aramco E-Reference No. 0013839

Registration Approval Letter

July 28, 2025

Attention : ABRAR INFRA BUILDING COMPANY LIMITED.

CR Number : 2050173213
Supplier Type: Service Provider Only
Country : Saudi Arabia

We are pleased to inform you that ABRAR INFRA BUILDING COMPANY LIMITED. is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10115788, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unified call center 800-116-1168 for In-Kingdom suppliers or +966 (11) 290-8950 for Out-of-Kingdom suppliers.

Faisal Hamad Al Dossary, Supervisor
Supplier Registration Unit
Supplier Relationship Management Div

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Ariba for the following:
1. Change of Name / Commercial Registration Number / Address / Owner(s)
2. Any change of the supplier location
3. Discontinue supply of approved commodities (9COMs and 9CATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at supplierhelpdesk@aramco.com
